

# CHINA FREIGHT RAIL OPERATIONS

BUSINESS ROUNDTABLE • SEPTEMBER 19, 2017 • INDIANAPOLIS, INDIANA

The **U.S. Trade and Development Agency** is hosting the **China Freight Rail Operations Reverse Trade Mission**. The event will bring senior representatives from China's railroad industry to the United States for a one week visit to familiarize them with U.S. technologies and equipment in track infrastructure and maintenance, power generation, and signaling/communications systems. The delegation will be led by the Deputy Administrator of the National Railway Administration of China.

USTDA will host a Business Roundtable at the ***Railway Interchange 2017 Exhibition*** on Tuesday, September 19, 2017 from 1:30–4:30 PM at the Indiana Convention Center in Indianapolis.

This event will provide a forum for U.S. companies to learn about China's equipment needs, new projects, and upcoming procurements related to the development of China's freight rail network. At the Roundtable, U.S. companies will have the opportunity to make short presentations on their products and services and will also get to meet one-on-one with the delegates.

## THE DELEGATION WILL REPRESENT:

- National Railway Administration of China (NRA)
- CRRC Corporation Limited (CRRC)
- China Railway Engineering Corporation (CREC)
- China Railway Construction Corporation Limited (CRCC)
- Shenhua Group Corporation Ltd./ Shenshuo Railway Branch Company

## ATTEND THE BUSINESS ROUNDTABLE TO:

- Learn about upcoming railway project opportunities in China
- Understand the needs and challenges of China's rail industry
- Meet one-on-one with members of the delegation

## TOPICS OF DISCUSSION WILL FEATURE:

- An overview of China's freight rail infrastructure
- The regulatory environment in China
- Procurement opportunities in China for track infrastructure and maintenance, power generation and signaling/communications systems
