

CHINA GREEN BUILDINGS BUSINESS BRIEFING

Monday, August 21, 2017 • 9:00 AM – 4:00 PM
USTDA Business Center • 1000 Wilson Boulevard, Arlington, VA

The **U.S. Trade and Development Agency** is hosting the China Green Buildings Study Tour with a delegation of 20 clean energy executives from the public, provincial and private sectors in China. As part of the Study Tour, USTDA is holding a Business Briefing for U.S. industry.

China represents one of the world's largest green building markets with more than one billion square feet of certified green, sustainable building space. The Chinese government aims to achieve 50% commercial green building certification by 2020.

PARTICIPATING IN THE BUSINESS BRIEFING:

- Informs your business about the needs and goals of China's energy sector
- Connects your company with key decision-makers and potential buyers
- Provides details on potential business opportunities
- Allows you to meet one-on-one with key officials from China's energy sector

TOPICS OF DISCUSSION WILL FEATURE:

- China's efforts to improve efficiency of its national and regional clean energy
- Procurement opportunities in China for Green Buildings
- Best practices related to Green Buildings
- Regulatory climate in China

The following delegates will be participating in the China Green Buildings Study Tour:

- **Mao Zhibing**, China State Construction Engineering Co., Ltd
- **Wang Youwei**, China Green Building Council
- **Li Ping**, China Green Building Council
- **Meng Ching**, Chinese Society for Urban Studies-Green Building Research Center
