USTDA agrees to provide the Grantee under the terms of this Grant Agreement US\$_____ (“USTDA Grant”) to partially fund the cost of goods and services required for a feasibility study (“Study”) on the proposed _____ (“Project”) in _____ (“Host Country”). USTDA approves the selection by the Grantee of _____ [full corporate name] as the contractor to perform the Study (“Contractor”).

1. USTDA Funding

The USTDA Grant to be provided under this Grant Agreement shall be used to fund the costs of a contract between the Grantee and the Contractor under which the Contractor will perform the Study (“Contract”). Payment to the Contractor will be made directly by USTDA on behalf of the Grantee with the USTDA Grant funds provided under this Grant Agreement.

2. Terms of Reference

The terms of reference for the Study (“Terms of Reference”) are attached as Annex I and are hereby incorporated by reference into this Grant Agreement. The Study will examine the technical, financial, environmental, and other critical aspects of the proposed Project. The Terms of Reference for the Study shall also be included in the Contract.

4. Grantee Responsibilities and Contractor Support

(A) The Grantee shall undertake its best efforts to provide reasonable support for the Contractor, such as local transportation, office space, and secretarial support. *[In certain circumstances, it may be appropriate to add more details about what a grantee is committing to provide, regardless of whether that contribution is termed a grantee “cost share”. In such cases, please add an additional sentence (or more, if*

necessary) stating the specifics of what the grantee will provide. Please refer to the grantee's contribution simply as a "contribution" if it is not a "cost share"]

(B) In addition to the USTDA Grant provided under this Grant Agreement, *[and the Grantee's contribution or cost share, if applicable]*, the Contractor shall be responsible for ensuring that the Contractor and/or its subcontractors cover at least US\$ _____ of costs to complete the full Terms of Reference.

The parties hereto understand and agree that USTDA may, from time to time, exercise the foregoing approval rights, or discuss matters related to these rights and the Project with the parties to the Contract or any subcontract, jointly or separately, without thereby incurring any responsibility or liability to such parties. Q. Liability

This Contract may include a clause that limits the liability of the Contract Parties, provided that such a clause does not (i) disclaim liability for damages that are natural, probable, and reasonably foreseeable as a result of a breach of this Contract, or (ii) limit the total amount of damages recoverable to an amount less than the total amount disbursed to the Contractor pursuant to this Contract. If any clause included by the Contract Parties is inconsistent with either or both of these limitations, it shall be invalid and unenforceable to the extent of the inconsistency.

R. Arbitration

If the Contract Parties submit any dispute arising under this Contract for arbitration, the scope of any such arbitration shall be limited to the Contract Parties' rights and/or obligations under this Contract and may not extend to any right or obligation of USTDA. The arbitrator(s) shall not arbitrate issues directly affecting the rights or obligations of USTDA.

S. Reporting Requirements *[Please delete this clause if there is a success fee arrangement with the Contractor, because success fee agreements contain reporting requirements. *Please note, though, that this clause must stay in if there is a cost share agreement without a success fee, because there is no reporting mechanism in a cost share only agreement]*

The Contractor shall advise USTDA by letter as to the status of the Project on March 1st annually for a period of two (2) years after completion of the Study. In addition, if at any time the Contractor receives follow-on work from the Client, the Contractor shall so notify USTDA and designate the Contractor's contact point including name, telephone,

fax number, and e-mail address. Since this information may be made publicly available by USTDA, any information which is confidential shall be designated as such by the Contractor and provided separately to USTDA. USTDA will maintain the confidentiality of such information in accordance with applicable law.

T. Cost Share

The Contractor agrees that, in addition to the funding provided by the USTDA Grant, it shall be responsible for ensuring that it and/or its subcontractors cover at least US\$ _____ of costs to complete the full Terms of Reference as set forth in Annex I to the Grant Agreement and this Contract. In order to receive final payment of USTDA Grant funds, a financial officer of the Contractor must provide a final invoice to USTDA accompanied by a cost share certification and a detailed breakdown of direct labor and/or other direct costs. If such certification and breakdown are not provided or are inaccurate, USTDA shall be entitled to a refund from Contractor of the total amount of the USTDA-disbursed Grant funds.
